NCLB permits expenditures from the following fund sources to assist LEA's in meeting the "highly qualified" requirement:

Title I, Part A – Improving Basic Programs Operated by the LEA

Title II, Part A – Teacher and Principal Training and Recruiting Fund

Title V, Part A – Innovative Programs

Core Academic Subjects as defined by NCLB:

English, Reading / Language Arts, Mathematics, Science, Foreign Languages, Civics and Government, Economics, Arts, History, and Geography

Applicable Exceptions:

Eligible new multi-subject special education teachers who can demonstrate highly qualified in either mathematics, science, or language arts have two years from their date-of-hire to meet highly qualified in additional core subject areas taught.

Teachers in eligible districts defined as "rural" by the USDE definition who teach two or more subjects and are highly qualified in at least one core academic subject area they teach, have three years from the date-of-hire to become highly qualified in each core subject that they teach.
