

Facilities Update

Below are pictures of some of the first basketball practices in the new gym. The basketball teams moved into the gym on Monday, November 23. The first home basketball game in the new gym is scheduled for December 8. We hope everyone will come out and support the Mules and Lady Mules for the first games in the beautiful Muleshoe High School Gymnasium. Muleshoe varsity boys and girls play Morton in the new gym.

We will have a pre-game meal that evening in the new cafeteria/commons area. This is the same meal we had to postpone because of the cancellation of the Homecoming football game on October 16. If you purchased tickets for the pre-game meal on October 16, we will honor those meal tickets on December 8.

We look forward to seeing everyone there!
