

Facility Update

High School

The gym floor is down, and they have put the first coat of varnish on it. I attached a picture of the floor with the first coat on them. They are beautiful. The bleachers are ready to be installed. They are just waiting on the floors to be completely finished before they install them. I also attached a picture of the Mule Mural. Boy, it looks good!

DeShazo

The DeShazo East entrance and parking lot project should begin in a couple of weeks. You should see some dirt moving pretty soon.

Marquee Signs

Be watching in the next week or so for our new Marquee Signs. I think the signs at Dillman Elementary and on American Boulevard by United Supermarket should be up by the end of the week or the first of the next week.
