Dear Parent/Guardian:

Watson Junior High School welcomes you and your child to the 2007-2008 school year. We are committed to giving each student the very best possible education. A very important part of this education is teaching our students to be on time for all classes and activities. We have, therefore, instituted a new tardy policy for Watson Junior High School which will convey to the student the importance of getting to class on time.

The student is expected to be in class on time with all the materials required for that class. Repeated failure to meet this expectation will result in consequences. Beginning with the second offense in EACH class, the student will serve an after-school detention. If tardies continue, we will request a parent conference to discuss additional strategies to help the student arrive to class on time and be prepared.

When a student has been assigned to after-school detention, a form will be sent home for the parent to sign. The student will serve the detention the next day. Please stress to your child that the form must be given to you, the parent, so that you may make arrangements to pick him or her up at 4:30 p.m. on the afternoon that the detention is to be served. **The student will be required to serve the detention. If your child did not communicate his tardy detention to you, feel free to come find him in the detention room at 4:30 p.m.**

Detentions may also be assigned for disciplinary reasons by an Administrator and the procedure will be the same.

If you have any questions or concerns, feel free to come see me at your convenience.

Thank you,

Alex Salazar
